

## Price list of the software **3DVEM – Register GEO** (Updated in April 2015)

---

The full version of the **3DVEM – Register GEO** software runs on a USB flash drive (dongle). The dongle allows multi-user network access. Furthermore, it can be used in any computer in possession of the physical device.

Type of license (single module either **3DVEM – Register** or **3DVEM – GEO**):

- A. Educational License for institutions that develop teaching activities (Universities, Institutes, Schools...)
  - Price: 300€ (up to 20 networked clients) + 50€ x a set of 10 additional clients.
- B. Commercial License (non-educational) for the rest of institutions.
  - Price: 500€ + 50€ x additional client.

Examples of expected price<sup>1</sup> of the **3DVEM – Register** software:

- A. Educational License:
  - 20 clients of 3DVEM – Register (1 dongle): 300€.
  - 30 clients of 3DVEM – Register (1 dongle): 300€ + 1x50€ = 350€.
  - 40 clients of 3DVEM – Register (1 dongle): 300€ + 2x50€ = 400€.
- B. Commercial License:
  - 1 client of 3DVEM – Register (1 dongle): 500€.
  - 4 clients of 3DVEM – Register (1 dongle): 500€ + 3x50€ = 650€.
  - 10 clients of 3DVEM – Register (1 dongle): 500€ + 9x50€ = 950€.

The method of payment will be by bank transfer before delivering the USB flash drive (dongle). Please indicate your requested type of license (Educational/Commercial) and the number of clients to [gifle@upv.es](mailto:gifle@upv.es), and follow the instructions.
